

Inkwell Stamps Decoupage Tree

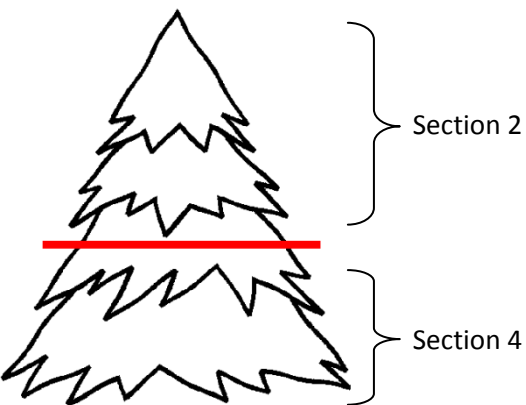

Step 1. Stamp out 2 trees – allow the ink to dry to before cutting out trees.

Cut the trees into sections as follows:

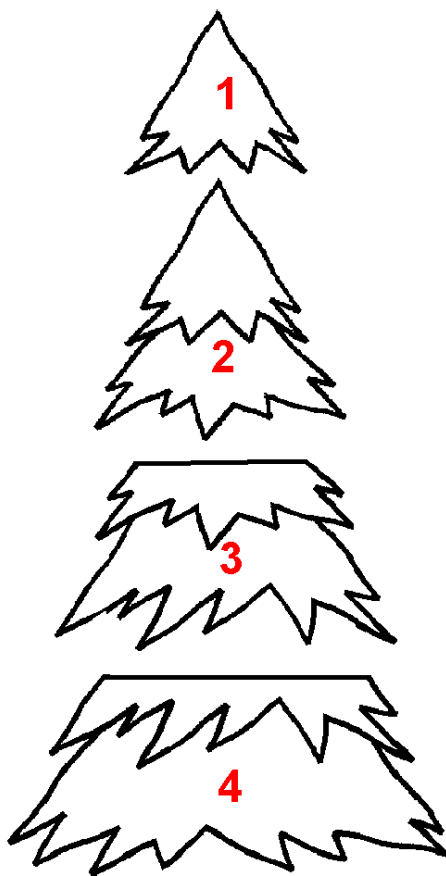

Tree 1:

Tree 2:

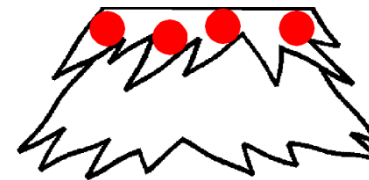

Step 2. Carefully cut around the 4 pieces to get the following sections:

Step 3. Assembling the tree:

Starting with pieces 3 and 4, carefully stick foam pads on the top of section 4 as indicated below:

Now place section 3 on top of section 4 and stick foam pads to the top of section 3:

Now place section 2 on top and stick foam pads to the top of section 2:

Add section 1 to the top to complete the tree.
